CIVIL ACTION NO. 2:06-CV-229-WHA

TERESA MACNEIL, CLK
U.S. DISTRICT COURT
MIDDLE DISTRICT ALA

AFFIDAVIT

Before me, a Notary Public in and for said County of Barbour and the State of Alabama at large, personally appeared CHARLES KELVIN JOHNS, who being known to me and first duly sworn in accordance with the law, did depose and state as follows:

1. CHARLES KELVIN JOHNS hereby submits the following documents and state that each is an authentic copy as supplied to me and have not been altered or changed in any way.

I further swear under penalty of perjury that before I had committed crimes involved in this case that I was refused any information from Pike County, Alabama officials concerning my property in that county, and that each - Curtis Blair, Tax Assessor, and Bill Stone, Probate Judge - explained to me that Circuit Judge Robert Barr had ordered each of them to refuse me any information concerning my property. I then reported their refusals to the Chief Deputy Assistant Attorney General for the State of Alabama personally on three separate occasions. The Alabama Attorney General at that time was Bill Pryor. However, I was unable to speak with him personally on any of those occasions.

Each time I personally spoke to the Chief Deputy Attorney General about my property concern, he would promise to check out the reasoning for the Pike County officials refusal. However, nothing was ever done and I was never again contacted about the matter by anyone from the Attorney General's Office.
